Born 1964. We are very privileged to be exclusively involved with Duncan as his sole art dealer and proudly present his most recent collection of paintings for his 2nd Solo exhibition at Crossing Gate following the huge success of his first ever Solo show with us last year. His passion for the Cornish beaches where he spent many months in his youth challenging the surf has never left him! Now he takes his family & dogs there to impart his love of the sea. The diverse moods, rhythms and space, huge skies and wet sand all influence his work! As a full-time artist Duncan constantly seeks fresh material and his second inspiration comes from the beautiful scenery of the Lake District. These are but only a few gems from his latest collection – there are so many more and we do hope you will come and enjoy this brilliant exhibition that Duncan has worked so hard for this year.
